PUBLIC NOTICE

As part of the professional service the Association members offer to our customers;

The members of this Association will to the best of their ability embrace the:-

“Code of Conduct” and the “Conditions of Services & Contract of Engagement” as recommended by the Australian Agricultural Contractors Association Inc.

For information contact the President, Secretary or the Administrator.

Members of the Association are also completing the accreditation course developed by the Department of Primary Industry called “WEEDSTOP”, (as and when places become available) covering, Machinery Hygiene, noxious weed identification, management of activities in infected paddocks and the legal responsibilities of contractors and Land Owners.

For further information on “WEEDSTOP” contact the DPI in your area.
